**A**s warmer weather begins to be a possibility for those in the country's upper tier looking to knock the dust off their motorcycles, Rides4Fun offers all riders a chance to enjoy the 2026 riding season.

Rides4Fun has been devising bike-friendly routes across many of the best roads in the eastern United States for the last few years, and the fun continues with several events designated as AMA Gypsy Tour Destinations in 2026.

With five Rides4Fun events on the AMA National Gypsy Tour in 2025, the number has boomed to *eight* unique events across the Gypsy Tour series, spanning April to October. Exploring many beautiful parts of Appalachia, riders are treated to pre-planned routes, quality lodging and great dining experiences.

Focused on a curated experience, Rides4Fun offers plenty to do off the bike, including elk tours, kayaking and much more. Removing the stress of planning from the touring equation, Rides4Fun events aim to provide the perfect environment for meeting fellow riders and building camaraderie.

popularity of the non-profit organization, which has allowed Rides4Fun to gain access to resources and state park locations. Rides4Fun has used the opportunity to infuse the financial benefit of motorcycle tourism into impoverished communities in Kentucky, Virginia, West Virginia, North Carolina and Georgia.

Events are sponsored by the BMW MOA, but all motorcycle brands are welcome. Members of both the AMA and BMW MOA can go to [Rides4FunSeries.com](https://www.Rides4FunSeries.com) to learn how they can use a \$20 discount coupon at all eight events in 2026. The Rides4Fun website also has details on each route and how to sign up.
