World Outreach Update

Jn and Fz, , Part 2

We had a great trip at the end of September and first half of October. It was about three weeks.

1. The first country was the very large Kingdom that occupies much of the Arabian peninsula:
   - The local people …. very hospitable.
   - We had some really good conversations with people about things … that made Bible stories seem alive; such as Moses and the wilderness experience…
   - There are many foreigners who do many of the service type jobs… (including) from the country of Fozy's … background.
   - But, the biggest group … come from the Philippines (including one who) told us that she has been to services at a church building in her city.
2. THE LAND OF NAAMAN:
   - It's still difficult to visit because …no credit cards or ATM cards work.
   - Primarily Mslm nation, there are … long time Christian areas.
   - We asked the owner of a restaurant, if he was a Christian. He replied "Yes…my grandfather was the president of the Baptist Union in this country". !!
   - There are three villages where the people still speak Aramaic, "the language of Jesus".
   - In the capital city, the main street … is still called **Straight Street**. Not far off that street is the place they say was Ananias's house. (*See Acts 9:10-12*)
3. THE OTHER KINGDOM:
   - It's the country that seems to be the most open to foreign Christian workers in the area.
   - We have a good friend who is there from our home church in the US. (we both moved overseas about the same time 30+ years ago)
   - There is another couple … who … are young, 27 years old. They have a great vision for the region. **Pease pray for these guys … and other workers.**
4. HERE AT HOME:
   - Jonathan has been reaching out to the local guys that have been overwhelmingly positive in their response.

God is doing His work and building His Kingdom.

If you would like to know the details of their recent work, contact the World Outreach Team and we will forward their latest newsletter. They work in a highly sensitive area, so security is vital.
