FMLA and Disability Paperwork Fee Agreement

It is the policy of your Physician and *The Orthopedic and Spine Institute of St. Louis* that an upfront fee will be collected in order to complete any type of forms relating to FMLA or Disability Paperwork. The current fee(s) is \$60 for the first two pages and \$10 for each additional page. These rates are subject to change without notice. It can take up to 14 business days for these forms to be completed due to the high volume of paperwork our office receives. You will need to plan accordingly with your employer or disability insurance on getting these forms to our office in advance.

It is the responsibility of the patient to complete all “patient portions” on the forms PRIOR to giving them to our office, as well as signing any patient signature portions. This will prevent any delay in sending your paperwork in a timely manner; as it requires your signature in order for our office to share your health information (per HIPAA Guidelines).

By signing below, you are acknowledging that you have read, understand, and agree to the Policy and Fee(s) listed above

Agreement of Financial Responsibility

Thank you for choosing us as your health care provider. We are committed to providing quality care and service to all of our patients. The following is a statement of our financial policy pertaining to Office and Surgical Treatment, which we require that you read and agree to prior to treatment.

- Failing to pay your copay puts both you and your surgeon in violation of contract with your health insurance plan, therefore copays are due at the time of service. No Exceptions.
- It is your responsibility to know your own insurance benefits, covered benefits and exclusions.
- We will attempt to confirm your insurance coverage prior to your treatment. However, it is your responsibility to provide current and accurate insurance information, including any updates or changes in coverage. Should you fail to provide this information, you will be financially responsible for any charges rendered.
- A copy of a photo ID and insurance card(s) are required for every patient at each visit. An I.D. and insurance card is required for our records in order to protect patients from insurance fraud. *Providing a copy of your insurance card does not guarantee coverage of services.*
- If Surgery is scheduled, you will be responsible for any unmet portion of your deductible, as well as your co-insurance (if applicable) *prior* to your surgery taking place. This amount will be calculated per your insurance contract agreement therefore, your surgery will be canceled if you are unable to uphold your financial responsibility.

I have read the financial policies contained above, and my signature below serves as acknowledgement and understanding of my financial responsibility. I understand that if my insurance company denies coverage and/or payment for services provided to me, I assume financial responsibility and will pay all such charges in full.
