Supply Fee:

\$100/semester

(September and February)

CCA accepts School Readiness Assistance

TESTIMONIALS

*You guys do THE BEST job, and your staff is the best in the world. The relationships CCA builds with the parents and ESPECIALLY with the kids is so special. I'll treasure the memories of Ronan's growth and relationships there forever. *As a side note, one of my favorite things about CCA is how much you all take care of stuff for us. As in, we don't need to bring in a new cup of milk each day, and change out water cups every day, or have to bring their cot bedding home to wash every week, or make their lunch every day.*

ABOUT US

Serving NWA families for 45 years. Our program introduces children to a structured environment that fosters intellectual, social, and emotional growth.

Through crafts, music, and social skill-building, we prepare children for pre-kindergarten while nurturing a lifelong love of learning.

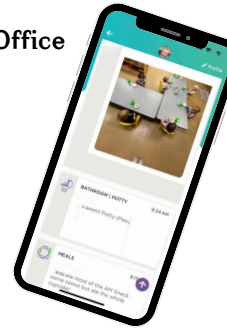

Guided by our mission, CCA integrates faith-based curriculum elements to empower children's spiritual growth alongside their educational development.

You'll find a loving and welcoming environment promoting a sense of belonging and helping children reach their God-given potential.
