November Safety Tip

It's that time of year again when we set our clocks back one hour. We gain an extra hour of sleep, but this also means it is darker earlier in the evenings. We will also begin to experience colder temperatures. Below are few safety reminders as we transition into the new season.

Watch for Slippery Surfaces: Wet leaves, rain, and early morning frost can make sidewalks, ramps, and parking lots slippery. Take your time and watch where your step.

Dress for the Weather: Wear appropriate jackets, hats, and comfortable shoes with good traction as temperatures begin to drop.

Be Aware of Your Surroundings: With daylight hours getting shorter, use extra caution when walking outdoors, crossing parking lots, or entering and exiting vehicles.

Adjust to the Time Change: Even a one-hour difference can affect sleep patterns and daily routines. Allow yourself time to adjust and maintain a consistent sleep schedule.

With the arrival of November, we enter a season of Thanksgiving. This is the perfect opportunity to give thanks to everyone who makes New Hope Industries a special place.

We would like to extend our sincere appreciation to everyone who took the time to join us in celebrating our 50th Anniversary. We would also like to thank those who reached out with thoughtful messages of congratulations, encouragement, and support.

Whether you attended in person, shared a memory, sent well wishes, or simply took a moment to recognize this milestone, your kindness and support means so much to the NHI family.

Thank you for being a part of our history, celebrating our present, and supporting our future. We are truly grateful for the relationships, memories and opportunities we have created over the past five decades.

At NHI, we recognize that making a difference doesn't always mean it has to be through grand accomplishments. It is more often found in everyday moments. That's what we focus on. This could be a new skill learned, a personal goal achieved, a friendship formed, helping someone or confidence gained.

We look forward to the future and recognize the value of others and the difference we make in other's lives.

We wish everyone a happy, blessed, and safe Thanksgiving!
