January/February Memory Verse

Colossians 2:6-7

"So then, just as you received Christ Jesus as Lord, continue to live in him, rooted and built up in him, strengthened in the faith as you were taught, and overflowing with thankfulness".

The Christian life is not sustained by momentary enthusiasm, but by deep roots. Paul reminds us that disciples of Jesus are *rooted in Him*. We draw life, nourishment, and stability from Christ Himself.

Just as a tree stands firm because its roots run deep, so believers endure and grow because they are anchored in Christ.

At the same time, we are *built up in Him*.

God is actively at work shaping and strengthening His people through His Word, His Spirit, and the life of the church. Growth in the Christian life is not self-made; it is God's gracious work in us as we continue to trust and follow Christ.
