The Cursillo Movement
Application for Serving on a Cursillo Weekend Team
Diocese of Charlotte, NC

Our Secretariat is committed to promote the growth and development of the local Cursillo Movement, which helps men and women be disciples of Christ in their everyday environments. The Secretariat wants to ensure that the Charlotte Cursillo adheres to the direction set by the National Cursillo Movement. This form (along with prayer and palanca) helps the Secretariat and Rector select servants that are committed to the Cursillo Charism so they will be effective servants to the men and women they will serve on the weekend.

Desired Experience

A serious commitment should accompany this application. This commitment includes weekly Group Reunion and monthly Ultreya attendance, along with a commitment to attend the Team Meetings. Whenever possible, team members should be regularly attending the School of Leaders. Purchase of the "Three-Day Manual" and the "Leaders Manual" is highly recommended. Both have valuable information for all team members.

This completed form, for the women's weekend, should be sent to **Michelle Fabrize** at mfabrize@aol.com for the women or to **Warren Grasheim** at wgmail@aol.com for the men.
