

Will You Prayerfully Partner With Us?

"Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver."

- 2 Corinthians 9:7

As we look back over 2025, we are again reminded of God's faithfulness to His camp! We have enjoyed the privilege of serving over 1,400 guests, accomplishing improvements through the willing hands of volunteers, and, most importantly, rejoicing over the many lives that were transformed by the Gospel of Jesus Christ! The spiritual and eternal impact of Park Springs continues to amaze and excite us!

So as we look with anticipation toward what God will accomplish in the new year, we humbly ask that you partner with us in this incredible journey. Would you be willing to invest in the lives of people, both young and old, by sharing some of the financial resources with which God has blessed you?

As with any camp ministry, the needs are many...from facility repairs & improvements to general operating expenses to special projects such as the A/V Renovation highlighted below. We continue to work hard at keeping your camp safe, functional, beautiful, and inviting so that many more precious souls can be impacted for eternity. Please take a moment to browse through the needs outlined below and prayerfully consider partnering with us through your generous giving. May God richly bless you in return and may you and your family enjoy a very blessed Christmas season!

Thank You!

General Operating Fund

As utility, maintenance, and food costs continue to rise, the need for monthly financial support is paramount. Please help Park Springs continue to meet it's budgetary needs through your ongoing partnership. Thank you so much!

AV Renovation

We are excited about giving our sound, video and lighting system a much-needed upgrade that will help greatly enhance worship services for all who come. For more info, please contact Chris Miller at director@parksprings.org.
