AUGUST- How to Make a Difference
Who doesn't want their lives to make a difference? This month we will look to the lives of the prophets to learn how to really make a difference in our communities, schools and friend groups!

SEPTEMBER- Won't You Be My Neighbor?
We live in an incredibly divisive time. People see more enemies than neighbors. What if we looked to the Bible and Mr. Rogers to help us have a better view of those around us, our neighbors?

Even though the movie is several years old the music and message are still speaking boldly in our culture! This month we will dive into The Greatest Showman and see how God is speaking to us and our culture through this amazing movie!
