July Safety Tip

Summer Heat Safety

One of the best ways to prevent heat illness during the summer is to...

- Wear lightweight fabrics for better ventilation.
- Keep long hair pulled back, away from the face and neck.
- Choose light-colored clothing to stay cooler.
- Wear sunglasses in direct sunlight.
- Layer clothing so it is easy to adjust for temperature.
- Apply sunscreen before work.
- Bring a hat or head covering to protect the scalp from sun exposure.
- Bring a water bottle and stay hydrated.
- Snack on hydrating foods like cucumbers, tomatoes, and watermelon.
- Limit caffeine and sugar intake to avoid headaches and energy crashes.

A MESSAGE FROM OUR CEO

Hello New Hope Friends! Welcome to the month of July. It is hard to believe we are already halfway through the year.

June was a busy month at NHI. We completed another successful summer youth program with 7 students participating. The students were able to visit 17 employer sites throughout Knox County.

Our day program held its annual picnic palooza. Individuals and staff celebrated with music, water activities, yard games, a petting zoo, face painting, tattoos, and a balloon artist. We completed the picnic with a homemade lunch and ice cream sundaes.

Our garden club is beginning to see the fruits of their labor. NHI's vegetable and flower gardens are thriving this season. The flowers are in bloom, and some vegetables are ready for picking. New Hope's baking class is preparing to use vegetables in a recipe for everyone to enjoy.

Thank you to everyone who returned their satisfaction survey. We appreciate you taking the time to provide feedback. Your input is important because we care about you and your experiences.

During the month of July, NHI will transition to an auto attendant for our phone system. Callers will need to select from the options provided to reach the person they are calling.

Please remember when entering our building you need to utilize the call button located inside the vestibule to alert staff of your presence. For the safety of those we serve and our staff NHI's building has always remained locked.

If you are picking up an individual outside the normal dismissal time, you will need to enter the building and utilize the call button. An NHI staff member will assist you.

I hope everyone continues to have a safe and healthy summer.

Thank you for trusting NHI to serve you!
