## August Safety Tip

**DRIVE SAFE!**

August is back to school time. Drive Safe and Stay Alert!

With most schools opening back up in August, this will result in increased traffic and pedestrians. Please stay alert and use caution in and around school zones. Always yield to pedestrians, stop at crosswalks and intersections. Allow yourself extra time to travel through these busy and sometimes congested areas. Be mindful of

frequent school bus stops and keep a safe distance when following buses.

We have transitioned to an auto attendant for our phone system. Callers will need to select from the options provided to reach the person they are calling. You may also leave a message on the general mailbox.

Please remember, when entering our building you need to utilize the call button located inside the vestibule to alert staff of your presence. For the safety of those we serve and our staff NHI's building has always remained locked.

Please also remember, if you are picking up an individual outside the normal dismissal time, you will need to enter the building and utilize the call button. An NHI staff member will assist you.
