Seafood Festival Parking
October 2–4

Let's show up and support our youth by helping with parking during the Seafood Festival! Save the dates and talk with Amanda if you can come out and serve.

All Cox's Breakfast meetings start at 6:30am

Men,

Start your Saturday with something that actually fills you up! Join the Brotherhood on Saturday, Sept. 12, from 8:30–10:00 a.m. in the Conference Room for a relaxed, meaningful morning together. Enjoy coffee and donuts, a short devotional, Max Lucado's 6-part series on RightNow Media, and time for real conversation through testimonies and breakout discussion groups. We'll wrap up with prayer as we encourage one another in faith and in life. No campus work is planned following the Bible study.

Unbreakable Courage
by Max Lucado

Does a day without difficult news seem out of reach? In Unbreakable Courage, today's headlines and the truth of Scripture intersect as Max Lucado offers a fresh look at the story of Elijah. In this six-session series, learn how you can stand strong day by day in the face of turbulent times, regardless of the challenging circumstances you may face. With God's help and following Elijah's inspiring example, you will discover the strength to face the challenges of this life and the courage to make a difference.
