PANAMA PREP GUIDE

Everything You Need to Know for Congress 2026

Panama, close to everything.

Discover the treasures of Panama, a land that radiates life, perfectly imperfect and full of authenticity. A place where North and South connect, where the old and the new world coexist, and where cosmopolitan landscapes live in harmony with lush, highly biodiverse jungles.

Explore our diverse culture, extraordinary wildlife, and thrilling experiences, all in one trip. Cross from the Pacific to the Caribbean in just two hours through the Panama Canal, and uncover a country where every journey is rich with contrast and connection.

Connect with seven Indigenous communities. Discover one of the most studied tropical rainforests on the planet. Dine in the only capital in the world recognized as a UNESCO Creative City of Gastronomy.

Witness the migration of whales, birds, and schools of fish. Experience the richness of our ancestral cultures, Afro heritage, and Spanish influences. A country for those who seek to go beyond expectations, inviting you to see more, taste more, connect more, and feel more.

Panama is not just a destination, but a journey to discover what truly matters. Wherever you go, there is so much to live creating lasting memories through inspiration, purpose, and a true sense of belonging.

CONNECTIVITY

Panama City is the best-connected city in Latin America. Tocumen International Airport connects to more than 80 cities in 37 countries, making Panama the region's leading aviation hub. Its strategic location and short transit times facilitate connections between North America, South America, the Caribbean, and Europe.
