Faith pleases God more than anything else. The Christian life is dependent upon faith. We stand on faith; we live on faith. Faith is loved and honored by God more than any other single thing. The Bible teaches that faith is the only approach that we have to God. No man has sins forgiven, no man goes to heaven, no man has assurance of peace and happiness, until he has faith in Jesus Christ. You may be saying, "God, I believe you are a great person, but I do not believe your Word; I do not believe what you say." In order to please God, you must believe Him. Perhaps your faith is small and weak. It does not matter how big your faith is, but rather, where your faith is. Is it in Christ, the Son of God, who died on the cross for your sins?
