A NOTE ON STEWARDSHIP

Each year offers an opportunity for reflection and to establish goals. We encourage you to consider your giving objectives for 2026. Giving encompasses more than money, but this pledge card represents a personal financial goal. Our financial administrator receives the pledges and compiles an anticipated estimate of the church's income for the next year. This helps your church responsibly plan to ensure that every ministry is supported. On November 23, we will celebrate Consecration Sunday. Please return your card on or before that Sunday.

In addition, we encourage you to reflect on the other ways you can strengthen and support your church. Consider how you might be generous with your time, talents, gifts, service and witness. All of these things fund and fuel our ministries, too. We have a very generous church. It allows us to do wonderful things. Please know that we appreciate each and every contribution, monetarily or otherwise. Thank you for all that you do to ensure Parkway Heights' success!
