

Actions and Behaviors

Video beginning through 11:37

Our actions and behavior have consequences for us and for others

God has called us to walk the straight and narrow road. That means that we are always going to need to make small (or maybe not so small!) corrections to our behaviors and beliefs to be more in line with Christ. But if we're not careful, we can get carried away and take our own fun or the need for correction too far. In our video we see Walter getting carried away with his own interests. We also see Dad frustrated by Walter's action and the impact it has on his show. It is good to consider what it is like to "walk in someone else's shoes". We need to make sure that we are paying attention to the feelings of others, following the narrow path, keeping God's commandments, and walking humbly with God.

Walk in someone else's shoes

Do nothing out of selfish ambition or vain conceit. Rather, in humility value others above yourselves, ***not looking to your own interests but each of you to the interests of the others. Philippians 2:4***
