

PANAMA CONVENTION CENTER

Located on the Amador Causeway, overlooking the Panama Canal, the Panama Convention Center is the largest and most modern venue in the region, designed to host world-class international events.

With over 33,500 m² of flexible spaces, including a 15,400 m² exhibition hall, a 4,000 m² grand ballroom, and 16 versatile meeting rooms, the PCC combines state-of-the-art infrastructure, sustainability, connectivity, and Panamanian hospitality, positioning Panama as the Hub of the Americas for the MICE industry.

ACCESSIBILITY INITIATIVES

The Panama Convention Center is designed to provide an inclusive and accessible experience for all visitors. Key features include:

- Level access at main areas of the venue, clearly signposted, allowing entry without steps
- Elevators and ramps connecting the different levels of the center
- Accessible restrooms located in key areas of the venue
- Designated parking spaces for persons with reduced mobility
- Spacious circulation areas that facilitate movement throughout the venue
- Functional layout of meeting rooms and common areas, ensuring a smooth and comfortable flow for attendees

The venue is designed to prioritize comfort, ease of movement, and an inclusive experience for all attendees.
