

IRON HORSE ENERGY SERVICES

July 3, 2025

To our Valued Vendors,

This morning we announced Iron Horse Energy Services is being acquired by Trican Well Services Ltd. This is exciting for our organization. The size, scale and complexity of the services we provide continues to grow. We expect our joint organization to have the people, equipment and technical expertise to remain a valued service provider to the industry for years to come.

Iron Horse will continue to operate the same as it does today. We will still do business as Iron Horse Energy Services and maintain all the same locations, accounts and staff. We expect no change to the commercial and business terms we've become accustomed to.

We value our business relationship and look forward to it continuing well into the future. Feel free to reach out to us with any questions or concerns.

Kind regards,

Brian Mastel
Chief Financial Officer
