Christmas for Haiti benefits orphans and vulnerable children in Haiti who are being ministered to by local indigenous churches. Below is a link to a brief video explaining the program. Christmas for Haiti isn't just about providing gifts; It's about providing hope and building a brighter tomorrow for the children of Haiti.

Framed Christmas display pictures of some of the orphans are available for a suggested donation of $20. Specially marked envelopes are available on display table in the foyer.

In every smile and every grateful heart, the spirit of Christmas comes alive,
