OAKRIDGE SOCCER CLUB

IN RED WE UNITE.

SINCE 1975

OAKRIDGE SOCCER CLUB PARENT CODE OF CONDUCT

At the Oakridge Soccer Club, our goal is to create a positive, safe, and supportive environment where kids can learn, grow, and love the game of soccer. As a parent or guardian, I commit to the following:

1. **Let it be their game -** I will never pressure my child to play or continue playing if they do not want to.
2. **Keep the joy in sport-** I will remember that my child plays for their own fun, growth, and friendships—not my personal ambitions.
3. **Model respect and sportsmanship -** I will encourage my child to play fair, follow the rules, and solve conflicts with respect—not hostility.
4. **Focus on effort, not just results-** I will teach my child that doing their best matters more than winning, and that setbacks are part of learning.
5. **Celebrate the positives -** I will praise my child—and others—for hard work, fair play, and improvement, regardless of the score.
6. **Keep my cool -** I will not ridicule, yell at, or criticize my child, teammates, opponents, coaches, or officials for mistakes or losses.
7. **Be a great example -** I will applaud good plays from all players, on both teams.
8. **Respect the officials -** I will not publicly question a referee's judgment or integrity, knowing they are doing their best for the players.
9. **Protect the game -** I will help create an environment free from verbal or physical abuse, for all players, coaches, and fans.
10. **Appreciate the volunteers-** I will show gratitude to the coaches, referees, and Oakridge Soccer Club board members who make youth soccer possible.

By following this code, I help ensure that youth soccer remains a fun, respectful, and rewarding experience for every player.

Understood and agreed by,
