Once you have created your account with a password you will see a screen like this.

- People is the directory.
- My Church Profile is a your information, groups you belong to, your giving summary.
- My Giving—takes you directly to the Contribution page.

My church profile directs you to your specific church profile page. Provide your church with updated contact information, important dates, view giving history, download giving statements, and much more! Begin by clicking on My Profile and verifying the data. Click on the three dots by your name and choose profile visibility. Decide what information you want shared and to whom in the directory by moving the slider.

The screenshot shows a user profile for Jack Smith. A dropdown menu is open, showing options: Print Profile, Order Background Check, and Profile Visibility. To the right, a 'VISIBILITY SETTINGS' window is open, allowing the user to control the visibility of various fields to different groups. The fields listed are: Address (6603 Broken Stone, Houston, TX, 77084), Address 2, Home Phone, Cell Phone (832-567-4214), Work Phone, Primary Email (dave@cpacastle.com), Secondary Email, Birthday (1959-06-13), and Age (65 yrs). Each field has a slider with four positions: Personal Information, Group Leaders, Group Members, and Directory. Most sliders are set to 'All' (the rightmost position), while Birthday and Age are set to 'None' (the leftmost position). 'Cancel' and 'Save' buttons are at the bottom right of the settings window.

At the top left of your screen, look for the "App Switcher" dropdown menu within every module. Use this to easily switch between modules or navigate back to the Amplify Home Screen. *You're never lost!*

The screenshot shows the top of a church website. On the left is a dark navigation menu with icons and text for: Directory, Groups, Calendar, My Giving, and a COLLAPSE button. The main header area is dark blue and contains the St. Philip Presbyterian Church logo, a search bar with the text 'Search for a person by name', and a user greeting 'Hello, Ted!'. Below the header, there are two white boxes: one with a person icon and the text 'Directory', and another with a calendar icon and the text 'Calendar'. On the far right, there is a 'My Info' button with a 'TP' icon.

Directory is where you can look for fellow members information and print your own copy.

Groups are ones you belong to and other open groups.

Calendar—see activities on calendar.

My Giving is where you will find your giving history and access your statement.

ST PHILIP LIFE MOBILE APP

It's never been easier to connect.

Get the latest calendar updates, securely give, register for events, and so much more. Church members can also access the photo directory.
