OAKRIDGE SOCCER CLUB PLAYER CODE OF CONDUCT

1. I will participate because I want to, not just because my parents or coaches want me to.

2. I will know and abide by the laws, rules and spirit of the game.

3. I will control my temper-fighting and “mouthing off” that can spoil the activity for everybody.

4. I will respect my opponents, teammates, coaches, and match officials.

5. I will do my best to try to be a true team player, supporting my teammates both on and off the field.

6. I will remember that winning isn’t everything – that having fun, improving my skills, making friends, and doing my best are also important.

7. I will acknowledge all good plays/performances – those of my teams and my opponents.

8. I will remember that coaches & officials are there to help me. I will accept their decisions and show them the respect that they deserve.

9. I will treat the facilities provided by the club and opponents with care and respect.

10. I will never behave in a manner likely to bring the name & reputation of the Oakridge Soccer Club into question.
